No M3 PL 245-C 1769/42-43 dy 25-2-43 requesting sanction to the resolution of the Channagi Municipal Council to continue the post of the Caretaker in the said M/C on a pay of Rs 9/- p-m on a permanent basis with effect from 1-7-42

Subs The designation of the post of a Gardener in the Channagi M/C which was perhaps sanctioned in 1899-19 was changed to that of a Caretaker (on Rs 7/-) in the year 1932 The pay of the Caretaker was increased from Rs 7/ to Rs 9/- in Dec 1940 Throughout there is nothing in the papers to show that the said appointment is temporary If it is so considered, a question would arise as to how the same was being continued all these years without competent sanction

The question of obtaining sanction for continuing the post arose from an remark made by the Dc Shimoga Dt while forwarding the Budget Estimates of the M/C for 1942-43 that the pay of the said official may be drawn after obtaining the required sanction The original papers regarding the appointment of a gardener in 1899-19 are not available Since the post is continuing for the last 43 years, no separate orders placing it now on a permanent basis seem to be necessary.

Having regard to the facts noted above, it does not appear necessary at this distance of time to place the post on a permanent basis, as it is being continued all along on that basis only.

The Comptroller will also be consulted unofficially on the proposal now received & whether it is necessary to sanction the same

It has not been clearly stated in the several Government orders whether the post was permanent or temporary But it has been noted in the Scale Register maintained by the Municipality that the post was temporary and payment of pensionary contribution on this appointment has not therefore been made so far by the Municipality

Orders of Government may therefore be issued treating the post as permanent as recommended by the Deputy Commissioner so that pensionary contribution may be recovered
